Preface

There came a man Jesus. He was conceived by the overshadowing of the Holy Ghost; and born of a virgin named Mary, who, along with Joseph her husband, is of the seed of David the king.

This same man Jesus was sanctified by God with the filling of the Holy Ghost, which remained upon him. At this time he was announced to those with him, and thus to the world, as the beloved Son of God. And we were directed, by the voice of God, to "hear ye him". This is the one who is the Son of man and who is also the Son of God.

This same man Jesus, after the anointing of the Holy Ghost, continued his ministry on the earth with mighty signs and wonders. Because of these signs, he engendered the displeasure of the religious/political powers of his day. They thinking to rid the world of this *nuisance* crucified and killed this body on the cross. And by doing so, they brought into effect God's will for the salvation of mankind and for the return of all His children to Him. Jesus Christ, the Lamb of God, is the last sacrifice sanctioned by God to carry away the sins of the world through his blood. "It is finished."

This same man Jesus is spoken of throughout the pages of the Bible, the Holy Word of God. And this Bible was transcribed by holy men moved by the Spirit of God. It is in the light of this Bible that I present this message; for the remission of sin and the salvation of mankind.
